Application Submission

1. Signed application form should be submitted, whenever possible, in electronic format to admin@srrmcentre.com.
2. Permits will not be issued prior to receipt of the \$300 processing fee, unless a special exception has been requested and accepted by the SRRMC.

All submissions will include the following:

Checklist

- Shapefiles/KMZ (polygon only, buffer polylines and points)
- Application fee (\$300)
- Figures (overview, mid-range, Study Area, detailed development plans)
- Completed SHIP application
- HCA application (if applicable)

Fees

Receipt of \$300 processing fee is required prior to application review and issuance. Please submit a cheque or etrasfer payable to **Stó:lō Nation** with your permit application.

Please send cheques to:

Attn: SRRMC Archaeology

10 - 7201 Vedder Road, Chilliwack, B.C. V2R 4G5

TUS Queries

TUS queries can be requested at any time. Standard TUS queries cost \$300. Expansive linear developments and larger-scale developments may result in increased TUS query costs.

Field Assistants

Minimum 48 hours' notice is required to coordinate fieldworkers. Half-day rates must be arranged in advance. Twenty-four hours' notice of cancellation of fieldwork is required. If cancellation occurs within 24 hours of the start of the project, the full day pay per worker will be imposed. Fieldworker day-rate is \$500 plus kilometers (\$0.52/km). Field days over 8 hours are subject to overtime.

Repository Fees

Projects using the Stó:lō Material Culture Repository are subject to curation fees (rate-sheet available upon request).

Stó:lō Heritage Investigation Permit - Terms and Conditions:

1. The permit holder is responsible for ensuring that all staff working on this project are familiar with the Stó:lō Heritage Policy Manual (a copy of this document will be provided upon request).
2. The permit holder will hire at least one Stó:lō community member **to be arranged by the SRRMC** to assist in conducting this project.
3. In the event that human remains are identified at any time during the course of this project, the permit holder must immediately cease and stabilize any disturbance of the remains, and call (604-824-5107) or email (admin@srrmcentre.com) the Stó:lō Research & Resource Management Centre (SRRMC) – representing the Stó:lō Nation & Tribal Council - of the nature and location of the remains, and implement any instructions provided regarding the treatment of the remains.
4. *Prior* to the production of the final report, the permit holder will provide the SRRMC Archaeology Department an opportunity to review and comment on results/findings and management recommendations relating to this project.
5. Implementation and inclusion of editorial comments made by Stó:lō Nation, Stó:lō Tribal Council, and/or SRRMC representatives with regard to management recommendations and/or any other portion of the project report will be negotiated between the permit holder and the archaeology staff at SRRMC, *prior* to report finalization.
6. The permit holder shall provide the SRRMC Archaeology Department with **one hard copy and one digital copy** of the final report (***including the Stó:lō Heritage Permit number on the cover***) for this project, *prior* to the expiration of this permit. All final reports are expected to meet or exceed the reporting standards developed by the provincial Archaeology Branch. In the event that provincial reporting standards and/or guidelines are not applicable to this project, the permit holder is responsible for developing such standards/guidelines in consultation with SRRMC Archaeology Department.
7. The permit holder shall provide the SRRMC Archaeology Department one copy of any updated or newly recorded British Columbia Archaeological Site Inventory Form(s) resultant from the project. Site forms should be submitted with the final report as electronic files.
8. Any application for extension of this permit must be made at least 30 days prior to the permit expiry date.
9. Reasonable amendments to this permit may be requested in writing on an 'as needed' basis.
10. A representative(s) of the Stó:lō Nation, Stó:lō Tribal Council, and/or the SRRMC may at any time inspect any project being conducted under this permit.
11. The permit holder shall provide the SRRMC Archaeology Department with one completed copy of the *Heritage Investigation Project Summary Form* upon submission of the final report.
12. Any project-related disturbance(s) of archaeological sites / project area must be mitigated (i.e., returned to their pre-existing state) upon completion of the project.
13. Failure to comply with any of the above permit conditions may affect future permit eligibility.
14. If the Stó:lō Material Cultural Repository is the chosen project repository, the Permit Holder is responsible for repository fees.
15. A local or First Nation repository will be assigned to a project, unless an alternative repository is required to keep collections together.

Other: (as may be specified upon review of application)

- *Temelh* – red ochre 'paint' – is generally suggested, and may be required, to be worn by all participants in archaeological excavations, as deemed necessary by Stó:lō cultural advisors representing the Stó:lō Nation and/or Stó:lō Tribal Council.
